ಶ್ರೀ ಎಚ್. ಹುಚ್ಚಮಾಸ್ತಿಗೌಡ.—ಈ ಬಗ್ಗೆ ನನ್ನ ಉಪ ಪ್ರಶ್ನೆಗಳೇನೂ ಇಲ್ಲ.

ಶ್ರೀ ಎಸ್. ಎಚ್. ತಮ್ಮಯ್ಯ.—ಸ್ವಾಮಿ, ಕೆಲವು ಮಂತ್ರಿಗಳು ಮೈನೂರು ಜಿಲ್ಲೆಯಲ್ಲಿ ಪ್ರವಾಸ ಮಾಡುತ್ತಿದ್ದಂಥ ಕಾಲದಲ್ಲಿ ಅವರು ಒಪ್ಪಿಕೊಂಡಿದ್ದಂಥ ಕೆಲವು ಸಮಾರಂಭ ಕಾರ್ಯಗಳಲ್ಲಿ ಅವರು ಭಾಗವಹಿಸಲಿಲ್ಲ ಎಂಬುದು ತಮ್ಮ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ ?

ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಹೌದು, ಕೆಲವು ಅನಿವಾರ್ಯಗಳ ದೆಸೆಯಿಂದ ಬರಲು ಅವಕಾಶವಾಗಲಿಲ್ಲ. ನಾನು ಈ ಹಿಂದೆ ಮೈನೂರು ಜಿಲ್ಲೆಯಲ್ಲಿ ಪ್ರವಾಸ ಮಾಡುತ್ತಿದ್ದಾಗ್ಗೆ ಚುಂಚನಗಿರಿ ಪ್ರಾಂತ್ಯಕ್ಕೆ ಬರಲು ಒಪ್ಪಿಕೊಂಡಿದ್ದೆನು. ಆದರೆ ಅನಿರೀಕ್ಷಿತವಾಗಿ 2-3 ಜೆಲಿಗ್ರಾಮ್‌ಗಳು ಬಂದುದರಿಂದ ನಾನು ಹಿಂದಕ್ಕೆ ಪ್ರೋಗ್ರಾಂಗಳನ್ನು ಬಿಟ್ಟು ಹೊರಟು ಬರಬೇಕಾಯಿತು.

ಶ್ರೀ ಎಸ್. ಎಚ್. ತಮ್ಮಯ್ಯ.—ಹೀಗೆ ಮಾಡಿದ್ದರಿಂದ ಅಲ್ಲಿಯ ಜನರಿಗೆ ಬಹಳ ನಿರುತ್ಸಾಹ ಮೂಡಿದೆ ಎನ್ನುವುದು ತಮ್ಮ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ?

Sri H. SIDDAVEERAPPA.—On that day I ought to have attended to some more urgent work. At a certain place Government buses were stopped and I had to go there to give instructions.

Iron and Steel (Control on sale)

Q.—560. Sri S. SRINIVASA IYENGAR (T.-Narasipur).—

Will the Government be pleased to state :—

(*a*) when the recent control on the sale of Iron and Steel was imposed ;

(*b*) the arrangements made for the speedy issue of permits ?

A.—Sri H. SIDDAVEERAPPA (Minister for Home).—

(*a*) With effect from 15th November 1955.

(*b*) A note indicating the procedure for distribution of steel to the various consumers, is appended.

Procedure adopted for distribution of steel to various consumers in the State.

The Government of India allots steel for use in the State every quarter under the following heads :—

1. Agricultural Quota.
2. Non-Agricultural Quota.
3. Small Scale and Cottage Industries Quota.
4. Steel Processing Industries Quota.

(1) *Agricultural Quota.*—This quota is being operated upon by the Commissioner for Food Production in Mysore, Bangalore. He receives this quota and arranges distribution of the materials to Agriculturist consumers from the various Co-operative Societies who have been registered to trade in iron and steel received under this head. There are 72 such Co-operative Societies spread over the State.

Besid s, a special allotment of steel under Technical Co-operation Scheme is also being made available to the State for distribution to the Agriculturists, the quota of which is also being operated upon by the Commissioner for Food Production.

The demands of the agriculturists and the fabricators of agricultural implements have to be met out of the above quotas by the Commissioner for Food Production.

The Commissioner for Food Production in Mysore, Bangalore, immediately on receipt of the intimation of allotment by the Central Government distributes the quotas to each one of the Taluk-Multi-purposes Co-operative Societies who in turn forward indents in Form I SC/42 (revised) for such allotments. These indents are scrutinised and transmitted by the Commissioner for Food Production to the Iron and Steel Controller, Calcutta, who plans the indents on the Producers for supplies.

Generally the indents for supply of M. S. Sections are being planned on the Mysore Iron and Steel Works and those of sheet materials on other producers such as M/s. Tata Iron and Steel Co., Jamshedpur and Indian Iron and Steel Co., Ltd.

(SRI H. SIDDAVEERAPPA.)

Those dealers, *viz.*, mostly Co-operative Societies, who received iron and steel allotted to them from out of the Agricultural Quota, have to report to the Commissioner for Food Production and also to the Assistant Directors of their respective areas. The Assistant Directors of Agriculture will arrange release of these materials to the Agriculturists and fabricators of Agricultural implements, etc.

According to the Circular No. ID/1639-1950, dated 28th January 1956, from the Commissioner for Food Production in Mysore, Bangalore, the ryots in the areas of N.E.S. Blocks have to obtain permits from the Village Level Workers to buy the iron and steel from the registered Co-operative Societies or the stockists within the Districts.

In areas other than N.E.S. Blocks, the Revenue Inspectors of the Agricultural Inspectors concerned are authorised to issue necessary permits to the ryots within their taluk who are in need of iron and steel for agricultural implements.

In respect of the Taluks where the Societies are not registered and if the Societies come forward to buy and distribute the iron and steel needed by the ryots, the Assistant Directors of Agriculture may sell iron and steel to such Societies from their District Central Godown.

As the Iron and Steel Controller, Bhadravati, has no separate quota and the Commissioner for Food Production in Mysore, is receiving the entire agricultural quota for distrubution to the Agriculturists, etc., no release of any iron can be made by the Iron and Steel Controller as materials meant for other specific purposes cannot be released to agriculturists.

When the indents against allotments are forwarded to the Iron and Steel Controller, Calcutta, as already explained above, he plans the indents for supply of M. S. Sections on the Producers, *viz.*, the Mysore Iron and Steel Works, Bhadravati and for sheets on Tatas or India Iron and Steel Co., as the case may be. The producers will register the orders and arrange supplies according to priority accorded by the Iron and Steel Controller, Calcutta.

(2) *Non-Agricultural Quota.*—The materials received against Non-agricultural quota are being distributed by the Iron and Steel Controller, Bhadravati, to the Registered Dealers in the State through whom the consumers receive the materials against permits. The needs of the small consumers of trunks, small industries and others recommended by competent authorities are being met out of this quota. The demands of the consumers for construction of buildings, etc., are being met after verification of approved plans and estimates, etc., by the Civil Engineer attached to the office of the Iron and Steel Controller.

Regarding the demands of the trunk manufacturers and others, the Director of Industries and Commerece in Mysore, Bangalore, prepares a list of such fabricators and forwards it to this Office fixing quotas to each depending upon the capacity of such fabricators. These consumers will get permits periodically to the extent of availability of stocks.

(3) *Small Scale and Cottage Industries Quota.*—Here again, the Director of Industries and Commerce in Mysore, Bangalore, prepares a list of such industries and forwards it to the Iron and Steel Controller, Bhadravati. The materials to these consumers are being released from out of the quota made available Central Government.

(4) *Steel Processing Industries quota.*—The Director of Industries and Commerce in Mysore, Bangalore, forwards a list of factories borne on the State Steel Processing Industries every quarter showing therein the allocation of steel to each factory to the Office of the Iron and Steel Controller, Bhadravati, when quota certificates are issued to the extent of the quota made available by the by the Central Government.

(5) Applications for allotment of steel and issue of permits should therefore be addressed as follows for the purposes as noted against each :—

(1) Agriculturists :—	(1) In areas of N.E.S. Blocks to approach the Village Level Workers. (2) In other areas—Revenue Inspectors or Agricultural Inspectors.
(2) For construction of buildings, manufacture of consumer goods, small scale and cottage industries etc.	The Iron and Steel Controller for Mysore Bhadravati.
(3) Galvanised Corrugated Sheets.	The receipts of G. G. Sheets under State's Non-agricultural quota are placed at the disposal of the Deputy Commissioners of respective Districts—Applications for G. C. Sheets have to be addressed to the Deptuy Commissioners of their respective Districts.

Sri S. SRINIVASA IYENGAR.—May I know the reasons that prompted the Government to introduce control now ?

*ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಈ ಕಂಟ್ರೋಲ್ ಆಜ್ಞೆಯನ್ನು ನಾವು ಈಗ ಹೊನದಾಗೇನೂ ಜಾರಿಗೆ ತಂದಿಲ್ಲ. ಈ ಕಬ್ಬಿಣ ಸಿಮೆಂಟ್ ಇತ್ಯಾದಿಗಳ ಮೇಲೆ ಮೊದಲು ಹಾಕಿದ್ದಂಥ ನಿರ್ಬಂಧಗಳನ್ನು ನಾವು ಇತ್ತೀಚೆಗೆ ತೆಗೆದುಹಾಕಿದ್ದೇವು. ಆದರೆ ಈಗ ಪುನಃ ಕೆಲವು ಸಾಮಾನುಗಳಿಗೆ ಕುಗ್ಗಾವು ಉಂಟಾಗಿರುವುದರಿಂದ ಮಾರ್ಕೆಟ್ಟಿನಲ್ಲಿ ಜನರಿಗೆ ಈ ಸಾಮಾನುಗಳೆಲ್ಲಾ ದುರ್ಬಿನಿಯೋಗವಾಗದಂತೆ ದೊರೆಯುಲಿ ಎಂಬ ಅಭಿಪ್ರಾಯದಿಂದ ಮತ್ತೆ ಈ ಆಜ್ಞೆಗಳನ್ನು ಜಾರಿಗೆ ತಂದಿದ್ದೇವೆ. ಆದರೆ ಯಾವತ್ತೂ ಈ ಕಂಟ್ರೋಲನ್ನು ತೆಗೆದು ಹಾಕಿರಲಿಲ್ಲ, ಸ್ವಲ್ಪಮಟ್ಟಿಗೆ ನಡಿಲ ಮಾಡಲಾಗಿತ್ತು ಅಷ್ಟೆ.

Sri S. SRINIVASA IYENGAR.—Are the Government aware that steel sections are being imported from Japan and other places in India ?

Sri H. SIDDAVEERAPPA.—Unfortunately in India to-day there is still abundant shortage of iron and steel; because there is tremendous construction work going on, there is scarcity of steel and cement.

Sri S. SRINIVASA IYENGAR.—Are the Government aware that there is disparity in prices between imported iron and Indian iron ?

Sri H. SIDDAVEERAPPA.—Yes, there is.

Sri S. SRINIVASA IYENGAR.—Is it not a fact that imported iron is available at lower rates ?

Sri H. SIDDAVEERAPPA.—Imported iron is really costlier.

Sri S. SRINIVASA IYENGAR.—Will the Government at least see that the tail-end issue of permits is minimised ?

Sri H. SIDDAVEERAPPA.—Virtually, as a matter of fact, so far as agricultural section is concerned, I invite attention to a press statement issued by the Mysore Iron and Steel Controller on 4th February 1956. We have reduced as far as possible all this red-tapism and we have made it as easy as possible to get these permits.

Sri V. MASIYAPPA.—Has it come to the notice of Government that the introduction of this control and the rise in prices of iron and steel have adversely affected the interests of the agriculturists ?

Sri H. SIDDAVEERAPPA.—No. As a matter of fact, agriculturists have now been very well served because special quota has been generously given by the Government of India Iron and Steel Controller.

Sri V. MASIYAPPA.—Has not the increase in prices affected the conditions of the agriculturists adversely ?

Sri H. SIDDAVEERAPPA.—I really do not know where we stand. To-day if you see the prices of the foodgrains going up, we do not know where we are.

ಶ್ರೀ ಬಿ. ಹುಚ್ಚೇಗೌಡ.—ಎಲ್ಲ ತಾಲ್ಲೂಕು ಮಲ್ಟಿ ಪರ್‌ಪಸ್ ಕೋ-ಆಪರೇಟಿವ್ ಸೊಸೈಟಿಗಳೂ ಮುಂದೆ ರಿಜಿಸ್ಟರ್ಡ್ ಡೀಲರ್ಸ್ ಆಗಲು ಅವಕಾಶ ಮಾಡಿ ಕೊಡುತ್ತೀರಾ ?

Sri H. SIDDAVEERAPPA.—Please see the Press Communique of 4th February. The matters are detailed therein. To be registered as dealers is not in my hands. It must be done by the Government of India, Iron and Steel Controller.

ಶ್ರೀ ಜಿ. ಬಸಪ್ಪ.—ವ್ಯವಸಾಯಕ್ಕೆ ಸಂಬಂಧಪಟ್ಟ ಅಳಿ-ಪಟ್ಟಿ ಇತ್ಯಾದಿ ಗಾಡಿ ಸಾಮಾನುಗಳನ್ನು ಕಂಟ್ರೋಲರಿಂದ ಪರ್ಮಿಟ್ ತೆಗೆದುಕೊಂಡು ಬಂದರೆ ಮಾತ್ರ ಮಾರಾಟ ಮಾಡಬೇಕೆಂದು ನರ್ಮ್ಯಲರ್ ಹೊರಟಿದೆ ಅಲ್ಲವೆ ?

ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಫೆಬ್ರವರಿ ನಾಲ್ಕನೆ ತಾರೀಖು ವಿವರವಾದ ಪ್ರೆಸ್ ಕಮ್ಯೂನಿಕ್ ಹೊರಡಿಸಿದ್ದೇವೆ ಅಗ್ರಿಕಲ್ಚರಲ್ ಪರ್ಪಸ್‌ಗೆ ಹೇಗೆ, ನಾನ್ ಅಗ್ರಿಕಲ್ಚರಲ್ ಪರ್ಪಸ್‌ಗೆ ಹೇಗೆ, ಎಂಬುದು ಅದರಲ್ಲಡೆ. ಅದನ್ನು ನೋಡಿದರೆ ಗೊತ್ತಾಗುತ್ತದೆ.

ಶ್ರೀ ಜಿ. ಬಸಪ್ಪ.—ಅಗ್ರಿಕಲ್ಚರಲ್ ಕೋಟಾ ರೆವಿನ್ಯೂ ಇನ್‌ಸ್ಪೆಕ್ಟರಿಂದ ಪಡೆಯಬೇಕು. ನಾನ್ ಅಗ್ರಿಕಲ್ಚರಲ್ ಕೋಟಾ ಭದ್ರಾವತಿ ಐರ್ಣ ಅಂಡ್ ಸ್ಟೀಲ್ ಕಂಟ್ರೋಲರಿಂದ ಪಡೆಯಬೇಕು ಎಂದು ಇದೆಯಲ್ಲವೇ ?

ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಹೌದು.

ಶ್ರೀ ಜಿ. ಬಸಪ್ಪ.—ರೈತರಿಗೆ ಅದರಿಂದ ಕಷ್ಟವಾಗುವುದಿಲ್ಲವೇ ?

ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ರೈತನಿಗೆ ಕೊಡಬೇಕಾದುದು ನಾನ್ ಅಗ್ರಿಕಲ್ಚರಲ್ ಕೋಟಾದಲ್ಲಿ ಬರುವುದಿಲ್ಲ.

ಶ್ರೀ ಜಿ. ಬಸಪ್ಪ.—ಅಳಿ-ಪಟ್ಟಿ, ಗಾಡಿ ಸಾಮಾನು ನಾನ್ ಅಗ್ರಿಕಲ್ಚರಲ್ ಕೋಟಾದಲ್ಲಿ ಬರುತ್ತದೆ, ಅಗ್ರಿಕಲ್ಚರಲ್ ಕೋಟಾದಲ್ಲಿ ಬರುವುದಿಲ್ಲ ಎಂದು ಮಲ್ಟಿ-ಪರ್‌ಪಸ್ ಸೊಸೈಟಿಗಳಿಗೆ ಇಂಸ್ಟ್ರಕ್ಷನ್ ಬಂದಿಲ್ಲವೆ ?

Sri H. SIDDAVEERAPPA.—What I say is in agricultural quota.

ಶ್ರೀ ಜಿ. ಬಸಪ್ಪ.—ಹಾಗಾದರೆ ಅಳಿ-ಪಟ್ಟಿ ನಾನ್ ಅಗ್ರಿಕಲ್ಚರಲ್ ಕೋಟಾದಲ್ಲಿ ಬರುವುದಿಲ್ಲವೇ ?

Sri H. SIDDAVEERAPPA.—The needs of smaller consumers of trunks, small industries, etc., are being met from non-agricultural quota.

ಶ್ರೀ ಜಿ. ಬಸಪ್ಪ.—ಒಂದು ವೇಳೆ ಆ ರೀತಿ ಇದ್ದರೆ ಎಕ್ಸ್‌ಪ್ಲಂಷನ್ ಕೊಡಿಸುತ್ತೀರಾ ರೆವಿನ್ಯೂ ಇನ್‌ಸ್ಪೆಕ್ಟರ್ ಮೂಲಕ ಕೊಡುವಂತೆ ಏರ್ಪಾಡು ಮಾಡುತ್ತೀರಾ ?

Sri H. SIDDAVEERAPPA.—I will get it examined.

ಶ್ರೀ ಎಚ್. ಹುಚ್ಚಮಾಸ್ತಿಗೌಡ.—ರಿಜಿಸ್ಟರ್ಡ್ ತಾಲ್ಲೂಕು ಮಲ್ಟಿ-ಪರ್‌ಪರ್ಸ್ ಸೊಸೈಟಿಗೆ ನಾನ್ ಅಗ್ರಿಕಲ್ಚರಲ್ ಕೋಟಾ ಒದಗಿಸದೇ ಇರುವುದಕ್ಕೆ ಕಾರಣವೇನು ?

ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಆರೀತಿ ಯಾವುದಾದರೂ ನಿರ್ದಿಷ್ಟವಾದ ನಿದರ್ಶನವನ್ನು ನನ್ನ ಗಮನಕ್ಕೆ ತಂದರೆ ವಿಚಾರಮಾಡಿ ಮಾನ್ಯ ಸದಸ್ಯರಿಗೆ ತಿಳಿಸುವೆನೆ.

ಶ್ರೀ ಎಚ್. ಹುಚ್ಚಮಾಸ್ತಿಗೌಡ.—ಪ್ರೈವೇಟ್ ಸ್ಟಾಕಿಸ್ಟ್‌ಗಳು ತಮ್ಮ ಕೋಟಾದಲ್ಲಿ ಬಂದಂಥ ಸಾಮಾನುಗಳನ್ನು ದುರುಪಯೋಗ ಮಾಡುತ್ತಾ ಇರುವುದು ಸರ್ಕಾರದವರ ಗಮನಕ್ಕೆ ಬಂದಿಲ್ಲವೇ ?

ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಆರೀತಿ ಮಾಡುತ್ತಾ ಇದ್ದಾರೆ ಎಂದು ಗಮನಕ್ಕೆ ಬಂದಿದೆ, ಪರಿಶೀಲನೆ ಮಾಡುತ್ತಾ ಇದ್ದೇವೆ.

ಶ್ರೀ ಎಚ್. ಹುಚ್ಚಮಾಸ್ತಿಗೌಡ.—ತಾಲ್ಲೂಕು ಸೊಸೈಟಿಗಳಿಗೆ ಪರ್ಮಿಟ್ ಕೊಡುವಂತೆ ಕೇಂದ್ರ ಸರ್ಕಾರದೊಡನೆ ವ್ಯವಹಾರ ನಡೆಸಿ, ಪರ್ಮಿಟ್ ಕೊಡಿಸುವುದಕ್ಕೆ ಪ್ರಯತ್ನ ಮಾಡುತ್ತೀರಾ ?

Sri H. SIDDAVEERAPPA.—I have been doing it. ಈಗಿರತಕ್ಕ ಸ್ಟಾಕಿಸ್ಟ್‌ಗಳೇ ಬಹಳ ಹೆಚ್ಚಾಗಿದ್ದಾರೆ, ಕೊಡುವುದಕ್ಕಾಗುವುದಿಲ್ಲ ಎಂದು ಹಿಂದೆ ಬರೆದಿದ್ದರು. ಪುನಃ ಒತ್ತಾಯಮಾಡುತ್ತೇವೆ.

ಶ್ರೀ ಎಚ್. ಹುಚ್ಚಮಾಸ್ತಿಗೌಡ.—ಪ್ರೈವೇಟ್ ಸ್ಟಾಕಿಸ್ಟು ದುರುಪಯೋಗ ಮಾಡುತ್ತಾ ಇರುವುದನ್ನು ಕೇಂದ್ರ ಸರ್ಕಾರದವರ ಗಮನಕ್ಕೆ ತಂದರೆ ಈ ರೀತಿ ತಾಲ್ಲೂಕು ಸೊಸೈಟಿಗಳಿಗೆ ಪರ್ಮಿಟ್ ಕೊಡಿಸುವುದಕ್ಕೆ ಬಹಳ ಸುಲಭವಾಗುವುದಿಲ್ಲವೇ ?

ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಅದೇ ಪ್ರೊಸೀಜರ್ ಇದೆ. Their licence is liable to be cancelled. ಒಂದು ಅಥವಾ ಎರಡು ವಾರ್ನಿಂಗ್ ಕೊಟ್ಟು ಕಾರ್ಯಕ್ರಮ ತೆಗೆದುಕೊಂಡಿರತಕ್ಕ ನಿದರ್ಶನಗಳು ಇವೆ.

Mr. SPEAKER.—Next question, Sri Mulka Govinda Reddy.

Sri Mulka GOVINDA REDDY.—I do not want to take answers from a non-member.

Mr. SPEAKER.—He is not a non-member. It is your opinion only. Next question.

Industries in Second Five-Year Plan.

Q.—61. **Sri B. NARAYANASWAMY** (Mysore City South).—

Will the Government be pleased to state:—

(*a*) the number of big industries that are included in the Second Five-Year Plan in the State ;

(*b*) whether starting a Raw Film Industry and a Cordite Factory in Mysore District has been considered ; and if so, details may kindly be furnished regarding the estimated cost and location of the industries ?

A.—**Sri H. M. CHANNABASAPPA** (Minister for Industries).—

(*a*) The following are the large scale industries included in the Second Five-Year Plan of the State :—

1. Expansion of Government Porcelain Factory ;
